

Art ITV with Mrs. Bailey

Re: Continuing Art instruction

Because of the school shut down, Art will continue via e-mail , my web site and V bricks recording from Great Western Network. Please see the urls and e-mail address below as a reminder.

The Great Western Network will be starting classes this Monday March 23rd. You can log in on your home computer to "Pexip" by placing the url listed below in your web browser. Join your art class at the regular time. If you miss a class, watch the recording on the Vbrick site.

All handouts will be on my web page and the calendar on the web page will have the daily assignments. Please email me for questions.

I know this will take time to adjust and get set up, but please try to log in and join the class so we can draw together.
